

DykeWriters

Wednesday May 6 to
Sunday May 10, 2020

Dykewriters create space for womyn-loving-womyn who are born female, still live as female, identify as lesbians, and love to write, read, and listen to lesbian words. We are primarily southeastern lesbians but welcome lesbians from other regions. We celebrate womyn, affirm our herstory as lesbians, and work together to find avenues of creativity and expansion.

Where and When

The conference will run from 4 pm Wednesday, May 6, to noon Sunday, May 10, at a group camp in southern Georgia. The nearest airport is in Jacksonville, FL (JAX), about an hour's drive. The park has woods and a spring-fed lake for swimming.

Conference Costs

Cost of the four-day conference is the completion of a workshift during the conference and participation in final cleanup plus the registration fee of \$75-\$175 and a \$5 GA Park vehicle fee (per vehicle—good for entire stay, paid when you enter the park). The registration fee includes admission to all conference activities, onsite lodging, meals, and a pdf copy of the most recent Dykewriters anthology. *Space can only be guaranteed for those who register and pay in advance.*

Registration

Registration ends **April 12**, and full payment must be received **by April 15**. There is no onsite registration. Attendance is limited to 60, so register ASAP. The average cost to us per woman is about \$100, depending on attendance. We encourage you to think of it as a SLIDING SCALE from \$75 to \$175 – more if you are able. Financial limitations should not prevent your attendance. Assistance may be available in the form of reduced conference fees. No woman will be turned away because of inability to pay.

Craft and Book Sales

There is no charge to sell your books or crafts, but space is limited, and you will need to provide your own table.

Directions

Maps and directions will be provided when you have registered and paid.

Workshops

Any registered participant may facilitate a writing workshop. The workshop schedule will be posted in the dining hall, and you can schedule a workshop onsite. To schedule your workshop in advance, email Jenna at jweston@getgoin.net.

Accommodations & Accessibility

This is a summer camp with most sleep space in “camper cabins,” each with four bunk beds, a ceiling fan, windows, and a porch. These are in groups of four, each with a nearby bath house. Most workshops, the dining hall, and some camper cabins are wheelchair accessible. The main public area is flat but the camp DOES NOT HAVE PAVED WALKWAYS.

One cabin in each group has a ramp. The bath houses are accessible except for showers. An accessible shower is available at the RV park nearby. You must bring your own bedding. An air conditioned “Medical Needs Cabin” has 14 single beds in six rooms, with four bathrooms. This cabin is reserved for women using oxygen or CPAPs or having other medical needs. This cabin is not wheelchair accessible and has no private rooms. If you do not use oxygen or a CPAP but want a bed in this cabin, you can put your name on a waiting list. If a bed is available, you will be notified.

If you need accessible sleep space, or private sleep space, the camp rents several nice “sportsmen cabins,” an RV park, and a tent camping area. The area also has several motels.

You must register and pay before we can reserve sleep space at the camp.

For more information and/or to request sleep space in the Medical Needs Cabin, email Rand, rand7134@mac.com

Park Regulations
NO PETS
NO ALCOHOL OR ILLEGAL DRUGS
NO DEVICES THAT SHOOT PROJECTILES

Special Dietary Needs

All meals will include vegetarian choices and most will include meat choices. If you have special dietary needs, please specify on your registration form so we can try to accommodate them (for example: vegan, vegetarian, gluten-free). The cooks will do what they can, but if there is something critical for your health, you may need to provide this for yourself.

Smoking

The park prohibits smoking in all buildings. Conference policy is no smoking in workshops, even when held outdoors. Smoking is permitted in designated areas.

RV PARK

RV spots are \$40/night (less with senior discount), booked through the park. The RV spots nearest us are #1, 2, 3, and 4. Spots 5, 6, and 8 are on the water. Spots 7 and 9 are across the road but facing water.

The park does not allow RV parking or tent camping inside the group camp. You must pay extra at an adjacent site in the park.
